About the Course

NYLT is an exciting, action-packed program designed to provide youth with leadership skills and experience they can use in their home troops, crews, and in life situations demanding leadership of self and others. The NYLT course centers on the concepts of what a leader must BE, must KNOW, and what a leader must DO. The key elements are taught with a clear focus on HOW TO. NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment.

Why should you send your son/daughter to NYLT?

To expand your unit leadership potential and to help your scout focus on leadership, which may be challenging for them.

What might you notice in your Scout after completing NYLT?

Confidence, humility, willingness to speak-up, share ideas and suggestions. They become proactive at home and take on more responsibility.

Your scout will take skills back to their unit, school clubs, and sports teams to make these organizations better.

Scouts report, in the beginning, I wasn't sure what to expect. But as the week progressed, I made new friends. We had a lot of fun by learning in an outdoor setting and playing games. This was one of my top two scout experiences – Sea Base and NYLT! I could not stop talking about everything I did during the week at NYLT. I loved it!
