CUB SCOUT CAMPING OPPORTUNITIES

Opportunities at Hawk Mountain Scout Reservation:

- **HMSR Day Camp**

Join us for a ROARing good time at Camp DuPortail, our Cub Scout Camp, at the always sunny Hawk Mountain Scout Reservation. Our HMSR Day Camp allows participants to experience our 600-acre, mostly wooded property in beautiful Southern Schuylkill County, PA. The program at HMSR is unique from our other day camp offerings as it features both our pool and cub scout confidence course and additional camp program offerings in this day camp setting. This is a premier day camping opportunity for Cub Scouts to experience themed fun and adventure in the outdoors while learning age-appropriate Scout skills.

- **HMSR Cub Resident Camp (Overnight)**

Located at Hawk Mountain Scout Reservation, this is our Cub Scout Overnight Programming option for Cub Scouts of any rank. This program consists of a 4-day, 3-night stay at sunny Hawk Mountain. Campers will stay in one of our premium campsites featuring a pavilion and platform canvas tents with cots. This program is like our Day Camp offering at HMSR. However, it includes additional evening program opportunities and traditional camp staples, such as a dinner dining hall experience, campsite time, and campfire programs. This is an excellent opportunity for families wishing to spend quality time together in the great outdoors.

- **HMSR Webelos Resident (Overnight)**

Located at Hawk Mountain Scout Reservation, this is our Webelo/ Arrow of Light-specific Summer Camp Programming option. **It is HIGHLY RECOMMENDED that Webelos/Arrow of Light Scouts attend this camping experience over our other program offerings.** This program is tailored specifically to Webelos and Arrow of Light Scouts, providing them with a stepping-stone camping experience as they prepare for their transition to Scouts BSA. This program includes rank advancement, themed fun, and Scouts BSA experiences while camping in one of our Camp Meade campsites over a 4-day, 3-night stay at sunny Hawk Mountain.

CUB SCOUT CAMPING OPPORTUNITIES

Opportunities on our Jungle Cruise throughout the Council:

- **Local Satellite Cub Scout Day Camps**

This year, we introduce our localized day camps where our staff visits you on our *"Jungle Cruise"* throughout the Hawk Mountain Council! This program is designed to provide Scouts who otherwise would not have the opportunity to participate in a camp program the chance to be a part of the Scouting Adventure at a Satellite Day Camp closer to home! This program will provide Scouts in Tigers through Bears the opportunity to participate in traditional camp activities, themed fun, and spotlight programs honoring the history and culture specific to the area of each Satellite Camp. Satellite Day Camps will include shooting sports activities, although they may differ from the offerings at HMSR due to local rules and regulations. These camps will also feature water games and fun in place of a swimming pool.

- **June 19-23:** Daniel Boone Homestead, Birdsboro
- **June 26-30:** Maiers Grove Park, Blandon
- **July 10-14:** Cacoosing Meadows Park, Spring Twp.

Hawk Mountain Council BSA believes that all Scouts should be able to attend summer resident camp, regardless of their financial situation. Campership funds are available from the Council to assist Scout families who may have difficulty affording the full camp fee. Our camperships are available to both in Council and out-of Council campers. Please see this guide's Fees section (page 8) for applicable dates. Campership Applications are available on our website at <https://hmc-bsa.org/category/forms-links/>.

Refunds

To become more fiscally responsible, the following refund policy attempts to balance the needs of both the Council and campers. This refund policy has been enacted to provide the maximum flexibility to Scouts and their families while protecting the council's pre-paid camp expenses based on reservation numbers. You can view the Council's refund policy here:

GENERAL CAMP INFORMATION

Preparing For Your Time at Camp

Required Medical Forms

All campers and adults must turn in a completed BSA universal Annual Health and Medical Record (AHMR). This is an annual health history that must be completed within the 12 months prior to attending camp. Parts A and B of the form are REQUIRED for everyone attending a HMC Cub Scout Camp. This means that each Scout, Adult, and Sibling must have one filled out BEFORE your time at camp. The parent/guardian of anyone under the age of 18 must sign part A. The form does not require the signature of a doctor. The form must be completed in full, and a copy of the individual's insurance card (front and back) should also be attached with any other pertinent medical information.

New AHMRs are required each year

AHMR forms are available at the Beaver Family Council Service Center, on BlackPug, and online at <https://filestore.scouting.org/filestore/HealthSafety/>

Camp Health Officer

All HMC Cub Scout summer camps will be staffed by a Health Officer at all times. During your time at camp, please visit the designated location for health and wellness needs.

All accidents must be reported to the Health Officer for documentation purposes, regardless of severity. We are required to record all injuries that occur at all camp locations, NO MATTER HOW SMALL. Please remember that our Health Officer provides first aid, not medical treatment. There are local physicians and hospitals on call for emergencies.

Medications

Anyone attending camp with a prescription or over-the-counter medication must fill out a medication form. This completed form should be turned in to the health officer upon check-in. It is for your safety that the health officer is aware of all medications being taken while attending camp. Medication forms can be found online at <https://hmc-bsa.org/hmsr-resources-page/>.

Special Accommodations and Needs

The HMC Cub Scout Camp staff is committed to fully including all campers in all aspects of the summer camp program. Often, meeting the needs of our campers and adults requires minor adaptations of our facilities, staffing, and instructional plans. Please inform the Cub Scout Camp Leadership Team of any youth or adults needing accommodations at any of our HMC Cub Scout camps. Unit leaders or parents should contact the Director of Camping and Outdoor Programs at michele.bement@scouting.org in advance to outline the specific needs of their campers and adults.

Dietary Accommodations and Needs

If campers or adults have a special dietary need, please contact the Director of Camping and Outdoor Programs at least 2 weeks prior to your attendance at camp by emailing a completed Dietary Form to michele.bement@scouting.org. Dietary forms can be accessed during registration on Black Pug or at <https://hmc-bsa.org/hmsr-resources-page/>. Copies of menus can also be provided in advance. In some cases, bringing supplemental food items to camp is encouraged.

Participants attending HMSR Day Camp and Satellite Day Camps will provide their own lunches. Themed snacks will be provided as part of the daily programming. If someone attending has dietary needs or severe sensitivities (i.e., Reactions triggered by scents or trace touches), please notify the Cub Scout Camp Leadership so appropriate accommodations can be made.

Swimming Classification and Tests

Camps hosted at Hawk Mountain Scout Reservation: Swim tests may not be offered during your stay at HMSR. It is HIGHLY encouraged that all scouts and camp participants take a swim test prior to their arrival at camp. This allows scouts to utilize and swim in other sections of the pool than the Learner's (shallowest) section.

Your pack can conduct off-Site Swim Test Classification before attending camp. The swim classification test performed at a unit level should be conducted by one of the following council-approved resource people: Aquatics Instructor, BSA; BSA Lifeguard; BSA Swimming & Water Rescue; or other lifeguards, swimming instructor, etc. Test administrators should utilize chapter 5 of the BSA Aquatics Supervision Guide.

Please print and complete the required form located at <https://www.scouting.org/wp-content/uploads/2022>. Please send your completed Swim Classification Record form to michele.bement@scouting.org prior to your arrival at camp. A physical copy of the record form should also be presented upon check-in at camp.

Satellite Day Camps: Swim Checks are not necessary for participants attending any of our three Satellite Day Camp options. These camps will feature a "WILD Water Day" filled with water games and fun in the sun!

Clothing and Uniforms

All Camps: All camp participants should wear comfortable clothing suited to the weather conditions. Pack T-Shirts are a unique way to have your Scouts recognized and are encouraged.

Camp Activities include a lot of walking to the various activity areas. Comfortable shoes are highly recommended. Shoes must be closed-toe and closed-heel. Sandals, Flip Flops, and Crocs are not permitted unless specified otherwise.

Please label all clothing and belongings with each child's name and pack number.

Upon check-in, every Scout and camp participant will receive a Jungle Explorer nametag. Please wear this each day you're in attendance at camp. For your safety, please remove name tags upon leaving camp for the day.

Be sure to pack and dress appropriately – camp will be held rain or shine! If it is raining, it's raining, "Liquid SUNSHINE!"

HMSR and Satellite Day Camps: Uniforms are NOT required for Day Camp.

Cub Resident and Webelos Resident Camps: Field Uniforms (Class A) are encouraged but not required for both Cub Resident and Webelos Resident camps. They will be worn for Dinner, Evening Flag Ceremonies, Campfires, and during Chapel services.

GENERAL CAMP INFORMATION

What to Expect While at Camp

Advancement/Adventure Sessions

The major intent of the Cub Camping Program is fun! Boys and Girls will also learn while enjoying themselves! Adventure sessions are designed to help complete part of rank requirements or elective requirements. Each Scout will receive a personal Safari Field Guide to fill out throughout their stay. These are the tracking/report cards for each den and Scout. Your Pack has the option of accepting these achievements. The Safari Field Guide should be returned daily and sent home with the Scout/Leader at the end of the week.

In addition to Scout's Safari Field Guides, Leaders will receive a list of achievements at the end of the week detailing what the Scouts may have accomplished if they participated in all parts of the planned programming. **The camp staff does not keep track of advancement at camp.** Your leadership is required to keep track of any advancement items completed at camp. Your Pack has the option of accepting these recommended achievements.

Den Leaders and adults will assist at each Adventure Program Area.

Adventure Sessions may include:

- o Scout Skills
- o Nature
- o Science or STEM
- o Crafts
- o Songs and Skits
- o Field Games
- o Shooting Sports
- o Fishing
- o Water Activities

Special Guests, Den Time, and Campfire Show

Special Guests may be joining us during your camp session to share their knowledge about particular topics and lead engaging activities. They are volunteering their time to come share, so please give them our best behavior.

Summertime Pack Award

The Cub Scout Summertime Pack Award is an award given to the Pack when they conduct "Summertime" Pack happenings, one per summer month. Summer Camp counts towards these Summertime activities. This is a Pack Award, and the Scouts will not receive anything through Camp; leaders must send an application to the Council to receive the award.

Den Time

The Cub Scout Den Time or “Siesta” is a chance for dens to meet individually to discuss something they learned that day, make a den flag, practice a skit or song for the closing campfire, visit your camps Trading Post, take advantage of a location-specific program, or just have a quiet moment of rest.

Trading Post

Our HMC Cub Scout Camps will operate a trading post during our camp offerings. The Trading Post will have Hawk Mountain custom items, including patches and apparel, Scout gear, themed novelty items, and an assortment of beverages, candy, and snacks. Operating hours will be posted at each camp and provided in each camp's specific program guide. Cash and all major credit cards are accepted.

Closing Campfire Program

A Campfire show will be held on the last full day of your time at camp. Campfire is a chance for parents, siblings, grandparents, or anyone from the family to visit and see what the Scouts have done throughout the week. Each Den is encouraged to perform a skit, song, joke, run-on, or story. Please see the Cub Scout Camp Program Director for song and skit suggestions or to sign up for a performance slot for the campfire program.

Importance of the Schedule

The schedule is designed so that every Scout can not only work on adventures, but there is time to have fun. It is built on a rotational schedule. Dens, packs, and patrols will be able to experience everything scheduled on that day. The average time at a station is about 40 minutes, with clean-up if needed and then time to travel to the next Adventure Area. Remember that as Scouts, we leave places better than we found them. Practice the principles of Leave no Trace and please take all trash you make with you. Trash stations will be available at Adventure Program Areas for you to dispose of your waste.

Questions or Concerns

If questions or concerns arise during your stay at camp, please direct these to the Camp Director or Program Director. Individual staff members may not have the ability to solve the issue. Solutions come from communication—let camp leadership assist you with your needs.

Camp Security

Emergency plans will be discussed with Den Leaders prior to the start of their program. Emergency plans will be posted in each activity area, along with the phone numbers for contacting the appropriate staff.

Cubs, siblings, leaders, adult partners, and staff must wear wristbands and/or nametags while in camp. This identification is presented at the time of check-in.

Advancement Adventure Sessions

It is important to note that only the Webelos and Arrow of Light Den Leaders may approve advancements. Camp Staff will instruct related skills, but **your leaders must record any advancement.** HMSR will offer Adventures for Webelos and Arrow of Light Scouts. Scouts will have the opportunity to register for adventure sessions that interest them to prepare them for merit badge sign-ups as they transition to Scouts BSA.

There will be an opportunity to register for Adventures prior to your session. Fishing, hiking, or conservation projects could also be done during these periods in addition to enjoying some quality den time. A list of Adventures being offered will be shared prior to the opportunity to register.
