

## BOY SCOUTS OF AMERICA® HAWK MOUNTAIN COUNCIL

### LETTER FROM THE COUNCIL KEY 3

To our valued Scouters and Supporters;

Thank you for your continued partnership and engagement with the Hawk Mountain Council BSA. Without our volunteers and donors, Hawk Mountain Council would not be able to deliver the transformative, mountain-top experience of Scouting to the youth of our community. Our mission is to teach young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law. With your help, we have been able to deliver upon that mission in considerable ways. We are pleased to highlight some of the Council's achievements in 2023.

- Over 80,000 pounds of food collected for those in need through Scouting for Food
- Record-setting attendance of 56 youth at our locally hosted, week-long National Youth Leadership Training (NYLT)
- 1,748 individual rank advancements earned and presented to our youth.
- 91 Scouts earned the Rank of Eagle demonstrating their leadership skills and their dedication to service.
- 4,196 merit badges earned by Scouts taking an interest in and learning about skills, vocations, and avocations.
- Continued progress to create a conservation easement for Hawk Mountain Scout Reservation. The easement will help preserve the land surrounding the camp for future generations of Scouts, and to obtain funds for continued maintenance of the camp.
- Welcomed more than 649 new families who joined our great program this year.

2023 has been a fantastic year.

As we begin 2024, the Hawk Mountain Council rededicates itself to creating inclusive, welcoming programs so that all young people in our community may join, grow, and develop through Scouting. Through our 1,200+ volunteers, and with community partners chartering over 140 local Scouting units, we are excited to continue working with you and for our future.

On behalf of the Council leadership, thank you for all that you do for Scouting.
