## Additional Notes

\* Participants will be wearing Field Uniform (Class A) and/or Activity Uniform (Class B) for all day at NYLT. Street clothing (Class C) will only be permitted during shower time/sleep time. Note; that 2 Activity Uniform (t-shirts) will be provided and will be the only acceptable Activity Uniform. **Please ensure that your son/daughter has an adequate number of shirts. Purchasing extra shirts during registration is recommended.** Field Uniform will be worn for dinner each night. Activity Uniform and Field Uniform will be worn during the working time throughout the course.

\*\* Please note that rain is a **strong possibility** with a weeklong camping experience. Please be sure to have a raincoat and adequate uniform parts, if they become wet and extra socks. It can become cool in the evenings. Warm outer wear is highly recommended.

\*\*\* Tent – First check with your unit to see if you can borrow a tent. If you are unable to borrow one, please let the Course Director, Elaine Price ([nylt.hmc@gmail.com](mailto:nylt.hmc@gmail.com)) know so that provision can be made for a tent. Please **DON'T** buy a tent.

## Medication Holidays

If your Scout/Venturer requires prescription medication for any reason, NYLT is not the place for him/her to have a medicine vacation. NYLT Staff are neither medical or behavioral professionals/specialists. History has demonstrated that it is in everyone's best interest for those on medication to maintain their current regime while at NYLT. Please ensure these are kept in the original container, labeled with Name, Date, Dose. Our medic will ensure proper storage and dispensing of medication.

## Electronic devices

The use of electronic devices during program time is strongly prohibited, as it will interfere with the learning experience of other participants. Electronic devices may be used during personal time, which is extremely limited during this course. For this reason, we strongly discourage the use of electronic devices at NYLT and take **NO** responsibility for providing outlets for charging, for lost, damaged, stolen devices or chargers.

## Course Photography / Social Media

NYLT Staff will be taking photos and posting them in our Facebook Group and on our Instagram so that parents can keep apprised of daily events and activities. We ask that you limit sharing these photos to scouts who have not taken NYLT, so their experience is as rich as your Scout's experience.

## NYLT Activity Uniform / Hat / CSP

During check-in, each participant will receive two (2) NYLT t-shirts and an NYLT hat which will be **required** as part of the uniform for every day of the course. Participants will wear these t-shirts and hat for most of the time during course. It is highly recommended that you purchase extra t-shirts for your youth. If additional t-shirts were ordered, they will be handed out at registration. Participants will also receive their NYLT council strip patch (CSP).

## Patrol Issued Gear

Each patrol will be issued gear after check-in. The patrol will receive a portable pavilion, picnic table, cooking stove, propane tank, cooking kit, cooking utensils, wash basins, trash bags, and food bins. Meals will be served on disposable paper products (plates, cups, utensils) to minimize sanitation concerns.

## Disclaimer

Hawk Mountain Council and NYLT Staff are not responsible for loss or damage to personal property of any kind, including electronic devices.
