A Summer of Fun and New Experiences

Here are some of the great moments caught on film:

Scouting for Food

Did you realize that one of every three people served by food banks are children? In Berks and Schuylkill counties, over 100,000 people qualify for food assistance. The Hawk Mountain Council, through **SCOUTING FOR FOOD**, is proud to be a major supporter of the effort to help those in need.

On **Saturday, November 12th**, Scouts will collect donated nonperishable food items from local donors and take them to food pantries within their local communities.

On Behalf of the Youth & Volunteers of the Hawk Mountain Council Thank You!
