Dear Friend of Scouting

Every great journey begins with a single step—or a single *good turn*.

This simple idea, “Do a Good Turn Daily,” is more than just a Scouting slogan. It’s a principle our Scouts live by, empowering them to make meaningful impacts in their communities every day. In fact, your local Scouts provide over **121,600 hours of service every year**.

Let us share the story of two Scouts who identified a need, gathered resources, and led projects to elevate our community. Aiden G., an Eagle Scout, built a meditation maze at Keystone Villa, providing residents with a peaceful place to reflect. And Gillian F. spent over 228 hours restoring native plants to improve the environment in her area for years to come.

These Scouts were taught 'to help other people at all times' through the Scout Oath, and their projects reflect the values instilled in them through Scouting. None of this would have been possible without your support. Your generosity has empowered Scouts like Aiden and Gillian to lead with purpose and create lasting change.

Now, **we invite you to continue your positive impact** by attending the Hawk Mountain Council Leadership Dinner on February 25, 2025, at 5:30 pm at the DoubleTree by Hilton in Reading. There is no ticket cost to attend, but an ask will be made at the event.

This inspiring evening will feature stories from Scouts about how Scouting prepares them to lead and serve. Enclosed is a sponsorship flyer with details on how you can contribute. You can also scan the QR code below to register or make a donation online.

Thank you for helping us build a stronger community through Scouting.

With gratitude for all that you do for our youth,
